Our dental staff also participates regularly in outreach and education efforts in the community and local schools. These efforts include education and demonstration of proper dental hygiene, as well as free dental health and oral cancer screenings.

If you're interested in more information on our outreach program, please contact our clinic at DentalOutreach@nsook.org

DID YOU KNOW?

NSO's dental procedures cost approximately 50% less than that of a private practice.

"My work with NSO gives me such a sense of fulfillment. Providing services to people who could otherwise not afford them and the staff's dedication to providing quality dentistry are what makes the NSO Dental Clinic so special."
